

## **FARADAY SCHOOL ACCESSIBILITY PLAN**

### INTRODUCTION AND PRINCIPLES

This policy sets out the aspects required under an accessibility plan drawn up in September 2021 and due to last three years, primarily relating to the physical environment of the School site and access to it and within it.

This policy applies to all pupils including those within the Early Years Foundation Stage (EYFS).

### SPECIFIC OBJECTIVES

This policy sets out

1. Our ethos
2. The context of the School and the disabilities and needs of staff within the School
3. The Action Plan arising

### ETHOS AND AIMS OF FARADAY SCHOOL

Faraday School aims to offer the highest quality of teaching and learning and support all pupils in the pursuit of academic and personal excellence. We have high expectations of all of our pupils and we strive to ensure that each and every pupil can take part in the whole school curriculum. We value the diversity of our school community and appreciate the contribution that pupils with special educational needs and/or disabilities (SEND) can bring to school life.

We have an **Admissions policy** and criteria (available to view on our website) which seek to remove barriers to entry to our school for pupils with special educational needs and/or disabilities. We strive to be a fully inclusive and welcoming school.

We regularly review and take steps to improve the physical environment of the School in order to increase the extent to which disabled pupils are able to take advantage of education and associated services offered by the School.

Our staff regularly review their teaching strategies to ensure that any potential barriers to learning and participation by disabled pupils are removed. We support our teaching and non-teaching staff with training designed to raise their awareness of disabilities and to enable them to minimise any potential difficulties for pupils. We promote the importance of using language that does not offend amongst both our staff and our pupils and ensure that, wherever possible, positive examples of disability are portrayed in teaching materials.

## CONTEXT

### PUPILS

As at September 2023 Faraday has one pupil with a local authority funded EHCP plan.

### STAFF

We take a fully inclusive approach to our staff recruitment and aim to appoint the best person based on their skill set and qualifications and regardless of any disability they might have. We actively implement the School's **Equal Opportunities Policy for Staff** in the day-to-day management of Faraday School. We currently have no staff with physical or medical disabilities. We regularly review our staff's needs to ensure these are being met and make adjustments (temporary or permanent) as needed.

We currently have no directors or advisors on our governing body with medical disabilities. We would make the necessary adjustments on an as needed basis to ensure that this individual can travel to and from meetings and has access to all the necessary information and equipment to enable them to fully and actively undertake their role.

The Head Teacher at Faraday School (**Mr Lucas Motion**) sits on an NMS Senior Management Team (SMT) committee, comprising Mrs Claire Murdoch (Head Teacher, Maple Walk), the NMS Chief Executive Officer, the NMS Chief Financial Officer and the NMS Head of HR. This committee reports to the NMS Advisory Board and will:

- i) review annually the School's policies, procedures and facilities as they are likely to affect pupils and prospective pupils who are disabled
- ii) make recommendations with a view to improving the accessibility of its education in many aspects to pupils or prospective pupils with disabilities by means of reasonable adjustments and by planning for the future
- iii) prepare the School's disability inclusion, SEN and learning support policy

- iv) prepare the School's accessibility plan
- v) review such plans and policies as necessary and at least on an annual basis

## TEACHING AND LEARNING

Charlie Jones is the School's Special Educational Needs Co-ordinator (SENDCO) and will liaise with all outside agencies to ensure that specialist equipment and support is provided as appropriate. If additional 1:1 lessons are required by an outside Special Educational Needs (SEN) teacher, parents will be informed and individual educational, care and health plans (ECH plans) adhered to as per the **Special Educational Needs and Disabilities Policy**

Our Accessibility Plan should be read and considered alongside our **Special Educational Needs and Disability Policy**

## DEFINITION OF DISABILITY AND SCOPE OF THE PLAN

A child or young person is disabled if they have a physical or mental impairment which has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities (as defined by the Equality Act 2010).

The School's Accessibility Plan contains relevant actions to:

- increase the extent to which disabled pupils can participate in the School's curriculum,
- improve the School's physical environment for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the School, and
- improve the delivery to disabled pupils of information which is readily accessible to pupils who are not disabled.

<b>Target</b>	<b>Action Required</b>	<b>Lead</b>	<b>Evidence of Impact on Stakeholder</b>	<b>Target Completion Date</b>
<b>ACTIONS TO IMPROVE PHYSICAL ENVIRONMENT</b>				
Improve physical access to facilities within	Provide temporary ramp to hall space	Sites Supervisor	No current stakeholders with need for ramped	Purchase when required

the ground floor			access, but anticipates this need could arise.	
Improve premises for visually impaired	Ongoing works to contrast door frames with doors & coat hooks. Replace door handles with lever ends. Part of rolling works programme.	Sites Supervisor	Make the environment safer for those with visual impairment.	ongoing painting and replacement programme.
Access to main entrance	Fit handrails to both sides, contrast nosing	Sites Supervisor	Will assist any future stakeholders to access the building	Not yet required by existing stakeholders
Access to main entrance	Move intercom lower	Sites Supervisor	Will assist any future stakeholders to access the building	Not yet required by existing stakeholders
Access to main entrance	Replace coir matting	Sites Supervisor	Currently a trip hazard, will assist all future stakeholders	completed
Classrooms	Paint skirting boards contrasting colour	Sites Supervisor	Will assist those with visual impairment	Rolling works programme. Works carried out in summer 2023
Reception office	Provide portable induction loop	Sites Supervisor	Will improve access for hearing impaired visitors, though unlikely to be suitable for teaching. Review on as-needed basis.	To be ordered as and when needed
